1) The Students’ Union strives to operate inclusively and openly, respecting all gender identities.

2) Current Students’ Union Bylaws discriminate against gender non-binary and genderless members of the Students’ Union by using "her/him" and "she/he" pronouns when referring to members and staff of the Students’ Union.

3) Bylaw shall be changed to reflect our inclusive policies by replacing all gendered pronouns with gender-neutral terms.

MOTION CARRIED.

2015-05/7b  CHRISTENSEN/DUAN MOVE TO adopt Bill #2, the Candidate Registration Meeting Amendment Act, and amend Bylaw 2200, section 15 and Bylaw 2300, section 10, regarding the candidate registration meeting, based on the following first principles:

1) The CRO shall host a candidates’ registration meeting to explain elections rules, regulations and bylaws;

2) Candidates shall attend or send a proxy to the meeting;

3) The meeting shall be held at a time, date, and location that is accessible to students;

4) The CRO shall be punctual and prepared at the meeting to ensure efficiency and effectiveness;

5) Proxy appointment shall be made to the CRO via e-mail prior to the commencement of the meeting.
• A number of councillors deemed this bill to be unnecessary as it would not present any significant changes that would benefit overall election experience for all individuals/entities involved.

• Other councillors expressed the concern that these bylaws would “micromanage” and impede on the CRO’s ability to do their job.

• These concerns were responded with the fact that this was a first reading, so these principals represented the overarching idea, and general principals which would guide the second reading. In terms of the concern that this bill would micromanage the CRO, this bill pertains to the first informational meeting, which as some councillors expressed, should be conducted in a very specific manner.

MOTION CARRIED. Kwan, Angus and Wang J. ABSTAIN.

2015-05/7c RAHMAN/FLAMAN MOVES to approve the first principles of the Experiential Learning policy as attached.
