2011-22/2  PRESENTATIONS

2011-22/2a  Replenishment Bylaw and Petition for Impeachment- Presented by Adam Woods, Bylaw Committee Chair. Sponsored by Adam woods, Bylaw Committee Chair.

Abstract:

This presentation outlines two separately proposed Bylaw motions, which are newly created legislation attempting to fix areas of concern created by the recent passing of the Impeachment Bylaw. The two proposed Bylaws are Replenishment of an Executive or Board of Governor’s representative in case of vacancy, as well as the petition which would need to be filled out by members of Council if they wished to impeach one of the aforementioned positions. These both required a lot of work from the committee, as well as thorough thought to think of every possible situation in the case of Replenishment. Feel free to ask lots of questions, we are very happy to finally have these items come before Council.

Please see document SC 11-22.01
